INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of Applicants or its Attorneys which are or may be material to patentability of the claimed invention, Attorneys for Applicants hereby invite the Examiner's attention to References AA through AT which are listed on the accompanying List of References Cited by Applicant. Copies of listed references AA-AT are not provided herewith; rather, pursuant to 37 C.F.R. § 1.98(d), Applicants respectfully invite the Examiner's attention to the copies of the References AA-AT, which are present in the file of parent application Serial No. 09/531,375 filed on March 21, 2000.

Identification of the listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application.

Applicants request that the Examiner review all the references identified on the attached List of References Cited by Applicant and make them of record in the file history of the above-identified application.

Pursuant to 37 C.F.R. §1.97(b)(3), since this information disclosure statement is filed before the mailing date of a first Office Action on the merits, no fee is due in connection herewith. However, should the Patent Office determine otherwise, please charge the required fee to Jones Day Deposit Account No. 503013.

Respectfully submitted.	\circ
